COMMUNITY BASED TRAINING INFORMATION

The Community Based Training Site Program is a WIN-WIN program for employers as well as consumers enrolled with the Achievement Center - Easter Seals.

Employers agree to train and utilize consumers in their work place for the amount of hours and days agreed upon.

During the training period, the Achievement Center will cover the consumer's salary and workers compensation/liability. We will monitor the consumer's progress weekly, discuss any concerns as needed, and provide on site supervision/training when stipulated.

Within the training period, the employer or the consumer may request to be re-assigned if they feel that the position is not a "good fit".

The employer has the option, but is not obligated, to hire the consumer during or at the end of the training period. The Achievement Center will then provide another consumer to fill the training slot.

Comments From Our Training Partners

"All the employees here at Goree's Furniture have really been pleased to work with the individual participating in the Community Based Training Program. Everyone has enjoyed watching our consumer grow, learn and prosper over the period of time that he worked with us. Our consumer learned many aspects of the business world and how to function in a professional business environment. It has been a joy to see our consumer "light up" as he learned new things. Having our consumer work with us has been a huge asset to our business and we look forward to having many more participants work with us in the future."

**Chris Goree, Manager
Goree's Furniture, Opelika, AL**

"The staff at Home-Towne Suites Auburn, considers it an honor to assist the Achievement Center with their training needs. It is a rewarding experience to see the consumers grow and learn during their time with us. They always bring a lot of joy to our work day. We have participated in this program for several years now and look forward to working with them in the years to come."

**Jennifer Phillips, General Manager
Home-Towne Suites
Auburn, AL**

"We have had super results working with the Achievement Center staff and consumers. We've hired one consumer full-time who is absolutely fantastic, and we are pleased to have them as members of our team here at Hampton Inn Auburn. We are looking forward to continued success in our partnership with Achievement Center - Easter Seals."
